## Missing girl, 12, 'with older man'

**A MISSING 12-year-old girl may have run off with an older man, say police.**

Jasmine Coleman disappeared from her home in Lancing, West Sussex, in the early hours of Saturday.

She was last seen in her bedroom, possibly talking to someone on FaceTime, at 11.30pm.

She is white, 5ft 8in, slim, with long blonde hair and blue eyes and may have on black riding trousers.

A Sussex Police spokesman said: "It is thought Jasmine may have gone off in a car with an older man, travelling towards London."

# DID RUSSIAN SUB SNAG SCOTTISH TRAWLER?

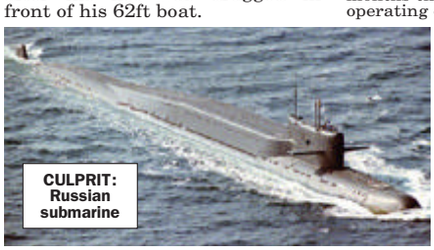
**A SKIPPER has claimed a submarine may have snagged itself on his trawler as it fished off the Outer Hebrides.**

By BRAD CHADWICK
news@sundaysport.co.uk

Angus Macleod said he and his four crew were "extremely lucky" after his net was dragged in front of his 62ft boat.

The Royal Navy has said there were no British or NATO submarines in the area at the time.

There has been speculation in recent months that Russian subs have been operating off the Scottish coast.



CULPRIT: Russian submarine

Mr Macleod's wooden Aquarius boat was fishing for haddock, monkfish and skate about 10 miles east of the Butt of Lewis in 360ft of water.

The boat had two nets out when the port net suddenly moved in front of the boat, while the other continued to lay astern.

### Snagged

Mr Macleod, 46, said he was baffled by what was happening and had to "up the revs" on the engine to try to keep ahead of the net for fear of it being entangled on the propeller.

He said: "It kept going forward and we had to repeat the manoeuvre four times to stay ahead.

"The winch became increasingly under strain as we tried to haul the rope. There was no way the net was snagged on the bottom – we were fishing well off the bottom.

"The sea conditions were good. We were mystified, we just could not explain it."

Mr Macleod, from the Outer Hebrides island of Barra, believes his boat suffered about £10,000 of damage in the incident.

He said he had lodged an incident report with the Maritime and Coastguard Agency and the Marine Accident Investigation Branch.

He asked: "Is it possible a non-NATO submarine could be involved? It was not a whale."

"The only explanation I can think of is it's a submarine. It missed the nets, which is just as well. All five of us are extremely lucky."

BAFFLED: Mr Macleod

A Navy spokesman said there were no UK or NATO submarines in the area at the time but declined to speculate on whether a foreign sub may have caused the incident.

## Kelly's huge boobs steal photo show

KELLY Brook's pert pals were put in the shade yesterday after her enormous BOOBS upstaged them in a saucy snap.

Busty actress Kelly uploaded the snap to her Instagram page with the caption: "*Hot chicks at the zoo.*"

But Kelly's followers were quick to point out all eyes were on her humongous knockers, not her mates.

One told 35-year-old sitcom star Kelly: "*Yea I think your boobs pretty much dominate this picture babe.*"

Another quipped: "*I'll take the one in the middle,*" while one gent added: "*You win the titty battle.*"

User *zpinksta* summed it up perfectly, stating: "*Wow you really have got f***ing great bit tits.*"

## Posh city flats used as 24-hour knocking shops

PLUSH city centre apartments were turned into 24-hour brothels by an escort boss who controlled more than 50 hookers, a court heard.

Paul Roy ran an online escort agency with the help of former sex worker, Emily Payne.

They rented at least eight flats in Newcastle city centre and turned them into knocking shops, with working girls on a rota around the clock.

Newcastle Crown Court heard hundreds of thousands of pounds passed through bank accounts controlled by Roy, 44, between 2007 and 2013.

The court heard Roy set up a website called Escorts North East in 2007 using the name Adam and Payne managed it.

They were charging clients £120 an hour or £650 for the whole evening with one of the girls, most of who were in their early 20s.

Police established at least eight flats in the city centre had been turned into brothels. Locations included The Bar, Merchant Quay, Waterloo House and Forth Banks.

The prostitutes were paying Roy 40 per cent commission.

Both Roy, of Leeds, West Yorks, and Payne, 39, of South Shields, pleaded guilty to keeping brothels.

He was jailed for 16 months while Payne, 39, was locked up for eight months.

BAD MUCK: Barry's fed up with antics in his back alley these days

**FED-UP Barry Holt snapped when a burly transvestite stole his underpants and used them to clean himself after an outdoor nookie romp.**

By BARNEY SAMUELS
news@sundaysport.co.uk

What's more, the pants-pilfering petticoat-wearer turned out to be the spitting image of *Top Gear* presenter JEREMY CLARKSON.

Barry, of Chorley, Lancs, has been plagued by sex people in his back alley for months but his patience snapped when a hairy arm reached over his back wall and snatched the Y-fronts from his washing line.

### Squelches

Former typesetter Barry, 65, said: "I'd say I'm as broadminded as the next man, but it's just not on. We have all kids of carryings-on in that ginnel until all hours of the night.

"There's yelps and squelches and all sorts. I remember a time when the worst thing that could happen in the ginnel was kids setting dustbin alight.

"Now we get this sort of mither. You have to draw a line somewhere and when they start pinching my underpants that line's been crossed."

SCENE OF SLIME: Ginnel round back of Barry's house

Describing the theft, Barry said: "I was looking out of the back window and saw this ruddy big hairy arm.

### Swiped

"It reached over back wall and swiped my undies.

"I ran out of the back door and yelled 'Hey, being my pants back, y'dirty bugger'.

"I opened the gate and there was this fella dressed as a woman, wiping his downstairs with my pants. The dirty bastard.

DROOLING female Jeremy Clarkson fans have got a job for the suspended *Top Gear* host – to be their full-time SEX OBJECT!

The gruff telly presenter is fighting for his role at the Beeb having been temporarily removed following a "fracas" with a producer.

But Jezza could easily fill his spare time knobbing all the lusty beauties who are desperate to jump his bones!

I have placed both hands on his rather perfect buttocks in cyber space at least. I won't tell you what else I've done but the screen needs cleaning.

The 54-year-old (*left*) has an unlikely, and vociferous, support club online.

Female fans log on to a forum at the *Proboards.com* website and contribute to a thread named Jezza Smut.

There you'll find dozens of pages filled with X-rated fantasies involving the pot-bellied petrolhead – most of them far too sexually explicit to print in a family newspaper.

One frothing lady gushes after a frantic masturbation session: "I have placed both hands on his rather perfect buttocks in cyber space… I won't tell you what else I've done but the screen needs cleaning."

There's also repeated mentions of Clarkson's "bulge" – meaning his COCK.

"I only saw him for a few seconds because he took to his toes and were off into the night."

Needless to say, the transvestite in Barry's back entry was NOT under-fire Clarkson but local man John Thompson.

## Petticoat

Divorced Thompson, who posts pictures of himself in ladies' attire on his Facebook page, said: "I would like to take this opportunity to apologise to Barry for taking off with his underpants.

"Unfortunately, I'd taken quite a lot of poppers and was not quite thinking straight. I just wanted to avoid getting anal sex froth on my petticoat.

"I'd offer to get Barry some new underpants but I'm not sure he'd approve of my taste."

Due to Section 74 of the Criminal Justice Act 2008, we are unable to print Barry's reply.

Another adds: "He can use his big stick on me any time he wants."

The babes also fantasise about Jeremy reading their fan fiction – erotic stories featuring Jezza, along with co-stars Richard Hammond and James May, in very compromising positions.

The grot writer giggles: "He hasn't got to the sex bits yet. Look at all that blue. I am having to hold on to the desk to stay upright."

Jeremy has been married to wife Frances for 20 years but they are thought to have separated three years ago and are now living apart.

## Charlie's porn stash tastes are 'way too tame'

HELLRAISER Charlie Sheen left a TV co-star stunned – because his taste in PORN was too TAME!

Actor Jon Cryer worked with Sheen (*above*), 49, on *Two And A Half Men*.

Sheen once begged Cryer to take his stash of grot because his then wife Denise Richards was coming to the set.

And Cryer, 49, was left speechless after thumbing through it, saying that it wasn't nearly as extreme as he was anticipating!

In a new book Cryer states: "He handed me a heavy shopping bag, 'Denise is coming over', he said, 'and I need you to hide something for me'.

"I thought. If this is drug paraphernalia… 'Is it legal?' I asked.

"He left, and I had to look. The bag was filled to the brim with porn.

"Clowns? Golden shower pictorials? I was prepared for the weirdest, but it really was all pretty tame, some of it just topless mags. Really, if this was the worst I'd have to deal with regarding Charlie's vices..."

# THE VOICE OF YOUR BRITAIN

## Footwear fail spells end of ISIS

**FOR too long we have trembled at the murderous antics of ISIS and what has seemed to be their near-superhuman conquest of the Levant.**

Today, as their forces are pummelled by an unlikely alliance of the West, Iraq and Iran and their fighters are mown down by the plucky Kurd, ISIS seem less like the stormtroopers of Islamic fundamentalism.

The story in today's Sunday Sport, revealing that the fashion-conscious fighters of ISIS reject volunteers on the basis of "untrendy" trainers should give the people of freedom even more hope.

An army that shuns recruits for the modishness their footwear is an army that can be – and deserves to be – beaten.

**Moreover, if recruits to ISIS are wholly, or chiefly, of the calibre of hapless former shelf-stacker Brian Grant, we need not fear a modern rebirth of the all-conquering armies of Saracen.**

## Batter brutes in ladies' gear

HERE at Sunday Sport we celebrate sexual diversity and would never look down on, let us say, unconventional lifestyle choices.

If a man wants to dress in ladies' clothes in his quest for genital satisfaction, who are we to sneer and snipe?

But when Britain's back alleys are roamed by pugilistic crossdressers who assault honest householders, we are forced to raise an eyebrow.

When homeowner Barry Holt was assailed by a tranny whose sex yelps had repeatedly troubled the peace of the parish, common decency came under attack.

The fact that Barry's attacker bore a resemblance to Top Gear bad boy Jeremy Clarkson is neither here nor there.

**Let us hope this thug in skirts is brought to book – not for his choice of attire but for his sheer brutishness.**

## Village hit by phantom lane sh*tter

THE hunt is on for the Phantom Shitter of Inkpen!

"Lots of people know who she is but unless we catch her in the act, we can't prove it.

"We want her to stop doing it in public and use her toilet at home."

# FATAL ECLIPSE

## Blinded Brian plunges off 400ft cliffs – after watching event through binoculars

**LUNAR-CY: Tragic Brian (*right*) fell to his death during Friday's eclipse**

By SIMON DEAN
simon@sundaysport.co.uk

**A MAN who defied expert advice and watched Friday's eclipse through binoculars was BLINDED – and then stumbled sightlessly over a 400-foot cliff.**

Semi-retired plumber Brian Forbes from Glasgow travelled to Duncansby Head, in the north of Scotland, where 97 per cent of the Sun was blocked out by the Moon.

But just 3% of the powerful solar glare was enough to blind divorced Brian when he viewed the scene through his powerful bins.

### Horrifying

Witness John King, who was stood near Brian during the spectacle, said: "I saw this bloke turn his binoculars towards the eclipse and was about to shout out when he let out this horrifying, piercing yell.

"He dropped his field glasses, clutched his eyes and began staggering about. To do that blindly at the top of a cliff isn't the safest thing to do and, as night follows day, he plunged off the edge with a scream.

"He never stood a chance."

John, 67, added: "The experts tell you not to look at an eclipse through binoculars, though I don't think even they thought the danger could extend to falling off a cliff."

**DEATH PLUNGE: Brian's body was recovered by local fishermen**

Brian's body was recovered by local fishermen, who view it as bad luck to leave a corpse on the coast.

Astro-boffin Professor Barry Cox of the University of West Lancashire said: "How many times do we need to warn people not to look at the Sun through binoculars?

"At the very least, you'll be blinded, but in this case it has led to a very grisly end."

Barry added with a sigh: "And no, I'm not related to Brian Cox."

Millions of people across Britain watched Friday's rare astronomical event, caused by the Moon passing between the Earth and the Sun, casting a vast shadow.

It was the first significant solar eclipse visible from the UK since 1999.

Churchman Pastor Mark Blitz had warned the eclipse could herald the End of the World, saying: "As the Bible tells us, there will be signs in the heavens on the feast days, and this is a very significant sign on a critical day.

"It's the same day that there was the grand-opening ceremony of the tabernacle of Moses, with fire from heaven lighting the altar. Historically, this is a day of judgment."

At time of going to press, the world had not ended.

POYET POSER: Gus got chop after snap with Kat

By JOSEPH SCRIMSHIRE

joseph@sundaysport.co.uk

**SACKED Sunderland boss Gus Poyet was snapped with a notorious HOOKER just hours before he got the boot.**

The Uruguayan manager was given his marching orders last week after a series of humiliating defeats.

Last Saturday's 4-0 thrashing to Aston Villa was apparently the last straw for Chairman Ellis Short, who had no option but to call time on Poyet's reign.

### Fetishes

If the sacking made Gus glum, he was all smiles when he met vice babe Kat Lee.

The 46-year-old was snapped with £1,250-a-night escort Kat, a specialist in kinky fetishes and BUM LOVE!

The encounter took place following another Sunderland fail at Old Trafford but NO sexual activity took place.

Football analysts last night wondered if Poyet was the latest victim of a bizarre Kat Lee CURSE – because she has been pictured with other DOOMED stars.

The most famous to date was former Manchester United boss David Moyes who posed for a photo with Kat, 27, just DAYS before he was sacked last year.

He had succeeded Sir Alex Ferguson, 73, as manager in May 2013 but was dismissed after just 10 months.

# Mature uni student's sex with girl, 14

A MATURE university student has been jailed for having sex with a 14-year-old girl who turned up at his flat in her school uniform.

Dakoto Ayasemale, 41, admitted having sex with two underage girls in his flat after buying them vodka – but he claimed they were 19 years old.

The refugee from the Congo denied two counts of sexual activity with a girl of 15 and a similar charge with a 14-year-old girl.

Plymouth University student Ayasemale was cleared by a jury at the city's crown court of knowingly having sex with the 15-year-old, but was convicted of sexual activity with the 14-year-old girl in May 2013 when she was drunk on vodka and cannabis.

Ayasemale, who was studying computing, told the court that the older girl tried to blackmail him once he found out their real ages.

But the girls said he knew their true ages and one had turned up in her school uniform.

Widowed dad of one Ayasemale was jailed for three years and is facing deportation when he is freed.

By SIMON DEAN
simon@sundaysport.co.uk

**CORRIE babe Georgia May Foote could earn MILLIONS in the U.S. – if she "does a Roxanne Pallet" and gets her KNOCKERS OUT!**

Industry insiders reckon the 24-year-old beauty could have the world at her feet, thanks to her cracking top bollocks.

The *Coronation Street* actress – who plays kebab shop worker Katy Armstrong – will appear for the last time in the ITV show at the end of this month, and may be heading straight off for the glitz of Hollywood.

She is already being lined up for new soap, *Heaven Is The Hills* – due to start in early 2016 – and Georgia has been linked to a key role.

But experts say she could make more money by acting in film roles that involve her FLASHING the flesh.

It's a tactic that worked for former *Emmerdale* babe Roxanne Pallet, who ditched her top in her Hollywood debut *Lake Placid 3*.

Last week Georgia appeared to confirm she'd be happy to strip, saying: "I'm not really bothered about sex scenes or going topless.

"I won't whip my top off for the sake of it. I'll wait for the right part."

Hollywood insider Eli Rosenstein said last night: "We're looking forward to Georgia finding a role where she feels comfortable taking her top off for artistic reasons. Some lesbo stuff would be good, too."

# Social worker fell head over eels for fish porn

GUILTY: Clayton Chigoya

A SOCIAL worker with a bizarre animal fetish has been caught with films of men having sex with large fish and EELS.

Detectives swooped on Clayton Chigoya's home after receiving a tip-off he had scenes of an illegal nature on his mobile phone.

They seized 19 devices – including a smartphone which contained 404 videos, seven of which showed sex acts with animals and two other illegal sexual scenes.

The extreme pornographic videos portrayed various sex acts with animals including a horse, eels and a large fish.

Prosecuting, Russell Pine told Reading Crown Court two of the animal sex videos had also been forwarded on to other numbers from Chigoya's phone, and accused him of being part of a group of animal fetishists.

But Chigoya, 47, denied any wrongdoing and claimed his phone was "faulty".

The suspended social worker denied five counts of possessing extreme pornographic images and two counts of possessing other indecent images.

The dad-of-three, of Slough, Berks, claimed he had never seen any of the seven the videos, which were sent through WhatsApp messages.

He did admit he had previously watched animal porn films but blamed his faulty phone for receiving and sending messages he claimed he had no idea about.

Chigoya was found guilty of all seven counts and released on bail to be sentenced in May.

He was suspended from his job as a social worker on August 5, 2013, by the Health and Care Professions Council, following his arrest.

## Desperate Scousewives star & celeb blogger Jaiden Micheal writes for Sunday Sport

YOU must have read about the appalling behaviour from *The X Factor* New Zealand judges, Natalia Kills and her husband Willy Moon.

The pair blasted a contestant with some vile comments – referring to him as disgusting, sickening, embarrassing and comparing him to Norman Bates!

Natalia, originally from Bradford, slammed the contestant for dressing like her husband, Willy. You know, 'cos apparently nobody else apart from Willy is allowed to wear a suit!

She ranted about artistic identity and lack of talent. This coming from the girl who looks like a Jessie J tribute act with the vocals of Rylan.

I had to Google this pair to see exactly who the hell they were and let's be honest.

If they'd spoken to me the way they did to that poor lad, I would have had them sat crying in the corner, soiling their pants and begging for forgiveness!

RUMOURS are that Katie Price and her husband Kieran Hayler could be joining *TOWIE*!

Are the ratings that bad that they've had to call in The Queen of Reality TV and her fella?

They double dated with the show's James Lock and his girlfriend Danielle Armstrong last week and then the four of them decided to tweet some stuff about being excited to be "filming" together.

Nothing has been confirmed by ITV as of yet but sources say Katie is house hunting in Essex.

I've known Kieran for years and while Katie is TV gold, Kieran is as interesting and entertaining as a dead goat.

WHEN I was in school, I claimed Diana King – who sang *Shy Guy* was my cousin from Jamaica. I also told my mates that Jon Bon Jovi was my mum's step brother.

It seems that crap doesn't end in high school for some people. Lily Allen has started claiming that Sam Smith is her cousin in various interviews and on Twitter.

Awkward that Sam has denied it.

## THIS WEEK LEILANI 1999

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

**SIZZLING Leilani Dowding isn't just fit – she's one of the sexiest babes on the PLANET!**

Just a year before making her topless debut, she represented the UK in the annual Miss Universe contest – competing against top beauties form around the globe.

The babe – who was crowned Miss Great Britain in 1998 aged 18 – flew out to Hawaii for the exclusive competition.

But despite not managing a podium finish, the pageant was just a start for Leilani.

She then ditched her bikini top for a career as a topless pin-up in 1999, wowing fans with her all-natural 34B top-rack.

From there her profile went from strength to strength – including being rated 89th on the *FHM* Sexiest Women in the World list for 2003.

Leilani took her new-found fame and made the jump into mainstream television in the mid-2000's.

She appeared on the *Big Breakfast* and *This Morning* as well as competing in *Faking It* and *Celebrity Fear Factor*.

Leilani also had a brief foray into acting, with parts in *The Dream Team* and *Mile High*.

And the Bournemouth beauty has been dubbed one of the country's brainiest ever glamour babes, having studied economics at Royal Holloway University of London before pursuing her modelling full time.

Now 35, she has her own clothing line and continues to model part-time while now living in Miami.

NEXT WEEK: HAYLEY FINCH

## The Krankies Go Dogging is Fan-Dabi-Dozi

COMEDY duo The Krankies have been caught-up in a kinky DOGGING scandal!

The Scots pair – aka hubby and wife Janette and Ian Tough – famously admitted their colourful sex lives during a radio interview in 2011.

The pair even enjoyed episodes of SWINGING.

But now a new book, *The Krankies Go Dogging*, has left fans of the 'Fan-Dabi-Dozi!' duo speechless.

The tome, written by Jesamine James, is in fact a work of fiction – the Krankies have NEVER actually been dogging.

One reviewer on Amazon.co.uk posted: "Despite its title, this book is not all about a pastime favoured by some! If you are a Krankies fan don't be afraid to read it!"

Speaking about one randy bonk in the 1980s, Janette once revealed: "We went out for Sunday lunch one day and got a bit romantic out at sea.

"We nearly ended up in France. I couldn't make it last that long now."

## Horror as gay rights activist sets fire to designer underpants – while wearing them

**A GAY rights campaigner showed his support for Sir Elton John's boycott of Dolce and Gabbana fashions by setting fire to his D&G undies.**

Unfortunately, due to confusion caused by the ingestion of so-called legal highs, Sebastian Pettigrew was WEARING the tight-fitting briefs at the time.

Sebastian, 49, from the hamlet of Detroit near Hogmonkton, suffered serious genital burns in his act of solidarity.

Last night the graphic designer refused to come to the door of his bijoux cottage in Wiltshire.

His is the latest development in a simmering spat that has caused ructions among fashionistas and homosexuals.

It began when Domenico Dolce, who with Stefano Gabbana founded the Italian fashion brand, criticised IVF, saying: "You are born and you have a father and mother. At least it should be like that. That's why I'm not convinced by what I call chemical children, synthetic babies."

Sir Elton, who has two children with his partner David Furnish born through IVF and surrogacy, responded furiously, writing on Sunday: "How dare you refer to my beautiful children as 'synthetic'.

"And shame on you for wagging your judgmental little fingers at IVF – a miracle that has allowed legions of loving people, both straight and gay, to fulfil their dream of having children.

"Your archaic thinking is out of step with the times, just like your fashions. I shall never wear Dolce and Gabbana ever again. #BoycottDolceGabbana."

His outburst prompted a mass social media campaign, as 66,000 people joined his call to stop buying clothes from the luxury brand.

Last night a source close to Elton said: "I'm sure he would be horrified to learn of Sebastian's injuries."

# PENSIONER KILLED BY HIS OWN FALSE TEETH

AN 80-year-old man choked to death on his false teeth while eating at a pub.

The pensioner was having lunch with his wife when he swallowed his teeth at a newly opened Wetherspoon's.

Builders who were at the pub carrying out work on the property saw the man, believed to be called Bert, collapse and leapt to his aid.

A spokesman for Wetherspoon, Eddie Gershon, said: "A gentleman in his 80s was sitting in the garden room eating lunch when he slumped in his chair. There were a number of the Wetherspoon building contractors sat next to Bert who immediately realised the issue and tried to help."

### Shocks

The builders managed to remove the false teeth he was choking on and with the help of a customer and pub staff performed CPR on him and called an ambulance.

When paramedics arrived at The Ivy House pub in Alton, Hants, the man was still not breathing and they attempted to revive him with shocks, but he did not respond and was later declared dead.

Mr Gershon said: "The paramedics said the attention he was given by the pub team and contractors was amazing and that it had given him the best possible chance of survival. Staff comforted the gentleman's wife throughout.

"Wetherspoon sends its sympathies to the family and friends of the gentleman."

**BUSTY Jodie Marsh found herself inundated with SEX offers last week after she posted these saucy snaps to the internet.**

The babe's new TV documentary series about shagging – *Women Who Pay For Sex* – aired on the TLC channel on Wednesday night.

It showed Jodie, 36, chatting to male escorts who get paid to rattle women.

But Jodie will never need to shell-out cash for a jump, judging by the comments she received on Instagram.

## Escort

One male admirer said: "I'll be a male escort for u extras will be free!"

Another added: "If you want to pay me I won't say no and I'll give u a refund."

Last week Jodie exclusively revealed to *Sunday Sport* how she'd contemplated ordering a male escort – after having been celibate for an amazing four years.

# WANTED: A quality controller for brothel

A BROTHEL is advertising for quality control testers to check the standards of their services.

The high-end knocking shop is looking for people, both male and female to check quality, cleanliness and safe sex practices – and to see that their brothels offer value for money.

The advert appeared on a social media site for sex workers, clients, brothels and companies specialising in the erotic business.

The job is for an international company with more than 120 workers in Germany, China and Spain.

The advert – for a rub-a-tug shop in Berlin – claims to want people with a degree, preferably in business, experience in brothels, and health certificates amongst other things. A multilingual person is desired, with French a particular advantage.

It says: "Practical experience with many years of brothel visits necessary. You should enjoy having fun with people and not be afraid of contact."

# DID PUTIN SNAP HIS BANJO STRING?

## Speculation that Kremlin boss broke his todger in romp with ex-gymnast

OOFYAH! Russian leader vanished from the public eye after nasty sex accident with fit missus (*left*)

**RUSSIAN tyrant Vladimir Putin broke his COCK during X-rated romps with his sexy model girlfriend, it was sensationally claimed yesterday.**

Giggling Kremlin sources reckon the soviet President even required STITCHES on his bleeding bellend as he yelped in pain.

The judo-scrapping, horse-riding hardman left critics puzzled earlier this month when he went missing for 10 days.

Rumours quickly surfaced that the 62-year-old had flown to Switzerland to attend the birth of his child to girlfriend Alina Kabaeva, a red-hot 31-year-old former gymnast.

By NEIL GOODWIN neil@sundaysport.co.uk

### Painful

Some even suggested that Putin had DIED, as an official spokesman denied rumours of an "illness" – saying the leader had simply been "attending meetings".

Now, after Putin eventually popped-up in St Petersburg on Monday last week, a more painful explanation has been offered.

Our source revealed: "Vladimir is only human. And like many men have done in the past, he was unfortunate enough to have suffered a sex-related injury to his penis while in bed with Alina.

"It's commonly known as 'snapping the banjo string', and while it sounds hilarious it's actually damn painful.

"There was some blood and much panic, and Vladimir had to be attended to by a doctor.

"It was very embarrassing for him – someone who trades on his reputation as a man's man.

"He was in some discomfort and didn't want to be seen in public wincing when he sat down or crying in agony when he visited the toilet.

"Eventually the swelling subsided and he was able to return to work. But he's keen for the whole sorry incident to be kept strictly 'top secret'."

It could be some time, though, until Putin is able to start knobbing his super-fit bird again – despite how gorgeous she looks in our photos!

## Yank vets mark Iwo Jima victory

DOZENS of ageing U.S. veterans gathered on the tiny, barren island of Iwo Jima to mark one of the bloodiest and most famous battles of the Second World War 70 years ago.

The veterans, many in their early 90s and some in wheelchairs, toured the black-sand beaches where they invaded the deeply dug in forces of the island's Japanese defenders.

They were taken to the top of Mount Suribachi, where an Associated Press photo of the raising of the Stars and Stripes while the battle still raged became a symbol of hope and valour to the war-weary public growing increasingly disillusioned with the battle in the Pacific.

About 36 days of battle left nearly 7,000 Marines dead and 20,000 wounded.

**A TEARFUL British Muslim last night told how he was sent packing by terror group ISIS – because he was wearing bargain basement TRAINERS!**

By BRAD CHADWICK
news@sundaysport.co.uk

Mohammed Aboud, formerly a supermarket shelf-stacker called Brian Grant, travelled to Syria via Turkey to join up.

As *Sunday Sport* reported in June last year, Aboud was identified as Britain's CRAPPEST jihadi export by spooks at MI5.

### Derision

But when he finally got to Syria and attempted to join an ISIS fighting unit in northern Iraq, he was greeted by hoots of derision by his fanatical co-religionists.

Now back in his home town of Rhyl, north Wales, Aboud, 24, sobbed: "The ISIS commanders laughed at me because I could not grow a beard. It's not my fault – I have a skin complaint.

"Then they started pointing and sniggering at my trainers, asking where I got them. I said I paid £19.99 for them at Aldi. They almost fell on the floor laughing at me.

"They said proper ISIS fighters wore the top Nike or Adidas gear. I don't have the money for that. And I fail to see how expensive pumps make me any more committed to Allah, May He be glorified and exalted.

"Then they knocked the turban off my head and booted me up the bum when I bent down to pick it up.

"If that's the way ISIS treat volunteers, they can stick their jihad up their arses."

Last night a spokesman for ISIS said: "We have worked hard to build our brand over recent years and if we have fighters going into battle with cheap supermarket trainers, we would be a laughing stock."

# LANGUAGE MISS JAILED FOR BONKING LAD, 15

A STUNNING female Spanish teacher has been told to serve a minimum six years in prison after she BONKED one of her 15-year-old students.

Gorgeous Kathryn Ronk wept in the dock as she admitted shagging the lad at his house, in a classroom and in her car.

Ronk (*left*) apologised to her family and her HUSBAND after pleading guilty to two counts of third-degree criminal sexual conduct.

The brunette, 29, sobbed: "I'm so sorry to the victim, to the victim's family. I'm sorry to the community, my parents, my family… and I'm sorry for the embarrassment and pain caused to my husband."

Judge Nanci Grant showed no sympathy, handing-down a 6-15 year term at a court in Oakland County, Michigan.

She said: "There's a double standard in this society. If this was a male teacher who'd been involved with a 15-year-old female, there would be people here hanging from the ceiling trying to get blood.

"But because it is a woman, there seems to be a winking about what happened."

## Madonna gore fest is load of bull, says Peta

ANIMAL rights activists have called on Madonna to stop "glamourising gore" – by dressing as a BULLFIGHTER.

The star slipped into corrida- inspired outfits to promote her new album, *Rebel Heart*.

And the 56-year-old paraded matador style between dancers in bull-like masks during performances at both recent Grammy and Brit awards.

But her fashion choice and referencing to the "bloody spectacle" of bullfighting has outraged animal rights campaigners in Barcelona, where Madge will perform.

A spokeswoman from PeTA said: "Madonna has clearly lost her footing with outfit choices on her tour.

"If Madonna wants to ingratiate herself to audiences she might consider choreography that reflects something less offensive than imitating a bloody spectacle."

Madge is very popular in Barcelona, where many gays – her traditional fans – live.

## Man flashed photos of his penis in shops

A PERVERT told cops showing pictures of his penis to strangers "cheered him up"!

David Slovinski, 51, is accused of taking pictures of his private parts on his mobile phone and showing them to unsuspecting employees in shops.

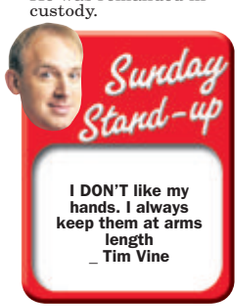
Slovinski (*above*) showed up at the Meijer department store in Grandville, Michigan, and showed his unsettling selfies to an employee there.

Two days later, he was caught on CCTV doing the same at another branch.

Slovinski admitted that he knew showing pictures of his privates was wrong, but said he also liked seeing how people reacted when confronted by a picture of his unmentionables.

"Yeah, it cheers me up when I'm feeling down," Slovinski is quoted as saying in an affidavit in Grandville District Court.

Slovinski is now charged as a sexually delinquent person, which means he can be detained indefinitely. He was remanded in custody.



## Spunk fountain pervert in court

**A WOMAN was showered in SPUNK while she was watching a fountain show in a posh shopping mall.**

**The 48-year-old victim, a Dutch visitor, told the Dubai Criminal Court she went to the Dubai Mall and stood at the fountain area watching a show.**

**She said: "The area was crowded with visitors when I felt someone sticking his body to mine from the back.**

**"He did that three times before I felt something on my leg. I turned back and hit the man on his shoulder before he ran away.**

**"He masturbated on my dress."**

**The victim told security staff, who caught up with the man and arrested him an hour later.**

**An unnamed 23-year-old Jordanian was found guilty on charges of sexual assault and public indecency and will be sentenced on March 31.**

# X FACTOR BULLY NAT'S SECRET NUDE PICS

**MEDIA STORM: Nat (*right*) poses nude and (*left*) with her hubby as she laid into hopeful Joe Irvine (*above*)**

**SHE may have a sharp tongue – but she's also got a belting pair of knockers and a very nice fleshy ARSE.**

Natalia Kills and hubby Willy Moon fled New Zealand after they were sacked from the country's version of *The X Factor* – for cruelly bullying a contestant on stage.

But Nat can always earn a living showing off her wonderful curves, as she did for these saucy images.

The 28-year-old Bradford-born singer, real name Natalia Noemi Cappuccini-Sinclair, posed in the altogether for these artistic snaps which were used as designs by top T-shirt firm This Is Not Clothing.

One insider said: "I can't quite understand why there is all this fuss about a bird nobody had heard about over a TV show from the other side of the world.

### Farting

"Is that f**king Simon Cowell anything to do with it? That c**t could whip up press excitement about a gnat farting in his back yard. Still, nice tits on her, like."

For those who are interested, the storm was caused by Nat claiming that an *X Factor* hopeful called Joe Irvine had "copied" her hubby Willy Moon's image.

As nobody knows who the f**k Will Moon is, this seems unlikely.

But she carried on, launching into a tirade at Joe on the first of the live shows, saying: "Ladies and gentlemen, I'm just going to state the obvious, we have a doppelgänger in our midst.

"I am disgusted at how much you've copied my husband."

After an outcry TV3, the network which airs the show, bowed to pressure and immediately fired the duo.

Support for Irvine came from all over the world, including from British singer Ed Sheeran.

## Dog bonker blamed his son's death

A SICKO used his son's death as an excuse for repeatedly bumming a dog.

Depraved John Blanchette, 49, admitted having intercourse and oral sex with his female Doberman, Princess.

And he recorded the sordid sessions on film seized by cops.

Blanchette (*above*), claimed he had sunk into a deep depression after the death of his son from cancer.

And he blamed that for molesting his pet.

His faithful wife of over 20 years Sylvie said she never thought he could do such vile acts.

But she is standing by him and has welcomed him home as the Canadian awaits sentencing in Drummondville, Quebec.

She said: "He needs help. I won't kick a man when he's on the ground.

"He'll pull together and I'm still able to move forward with him."

A judge has ordered Blanchette to have counselling before he is back in court in May.

This is what political debate has turned into in this country. A cosy little chat on Cameron's terms and if you're lucky you get to see her knickers.

Would love to lick her out

**TV totty Susanna Reid was subjected to a tsunami of innuendo after what has been described as an "outrageously flirty" interview with David Cameron.**

By SIMON DEAN
simon@sundaysport.co.uk

The 44-year-old *Good Morning Britain* host was quizzing the PM at 10 Downing Street.

Commentators said it was "less a Paxman-style interrogation and more *Fifty Shades* flirting".

During the brief interview broadcast on ITV last week, Susanna asked 14 questions – 11 of which were about Dave's family, with two on the possibility of a future coalition and one on the proposed election TV debates.

But the substance of the interview was hardly the issue with many viewers.

One correspondent writing on the *Daily Mail*'s website said: "I bet she's a really dirty cow in the bedroom!"

Another, going by the name Handy122, waded in with: "I would love to lick her out."

PDC of London had a more politically-astute comment with: "This is what political debate has turned into in this country. A cosy little chat on Cameron's terms and if you're lucky you get to see her knickers."

Last night an ITV source said: "Susanna's a professional and comments like this are water off a duck's back."

Body language expert Judi James described the presenter as "outrageously flirty", pointing to the way she put her thumb in her mouth and crossed her legs during the interview."

A spokesman for *Good Morning Britain* said: "The interview is one of a series with the main leaders ahead of the General Election."

# DEANO ON SUNDAY

## McCluskey's taking the Mickey

THE boss of Britain's biggest union, Unite, says Ed Miliband's image may cost Labour the election.

Len McCluskey (*left*) has a bit of a cheek talking about image, as he looks like an unhappy scrotum.

Who was it, do you think, who backed Ed Miliband ahead of his more presentable brother, David?

Step forward Len McCluskey and the Unite union!

THERE was a story in the papers last week about a couple forced into debt by payday loans and who were now living in their car.

The real tragedy of the story was that they parked their car each evening on an industrial estate in Warrington.

It's sickening that people in modern day Britain are forced to live in their cars.

Even worse that they're forced to live in Warrington!

# Food rules are a gravy train for guardian readers

**THE Government's anti-obesity adviser said she wants food policy to be subjected to the same tough regulations as the tobacco industry.**

Professor Susan Jebb, of Oxford University, reckons all meals should be served with vegetables, snacking should be socially unacceptable and a fizzy drinks tax must be introduced if the obesity epidemic is to be tackled.

On the whole, I agree with Professor Jebb's aims.

Britain is a grotesquely fat nation. I was watching a TV programme about the USA the other day where many of the visitors to an amusement park were so fat they had to get about on mobility scooters.

We are heading that way. Supermarkets already have mobi carts for their supersize customers to trundle around filling their trolleys with mountains of tuck.

Where Jebb is utterly, eye-wateringly wrong, though, is her suggestion that it's the government's job to tell people what to eat.

WRONG: Professor Susan Jebb

When governments tell people what to do, it costs the taxpayer a fortune.

### Leaflets

First they employ a raft of "experts" like Professor Jebb. Then they set up working parties who come up with guidelines explained in millions of glossy leaflets and in expensive TV ads.

And why the f**k should I pay more for a cream bun or a tin of pop just because the government wants to engineer us thin?

Where will this lead? Will we get a government that one day decides we should have blue eyes, or blond hair?

The trouble with people like Jebb and her fellow travellers is they preach government action, funded by the sweat and toil of the ordinary taxpayer, as the only way to get things done.

Beware! Every time someone calls for "government action" they're really calling for more cash showered on "outreach co-ordinators" who read *The Guardian* like, I suspect, Prof Jebb.

## Are spin docs hiding fats?

**THE past week's main stories have involved a fat man who has been suspended from his job driving cars sideways and another fat man who has said he will not wear a certain brand of clothes any more.**

**Oh, and a singer that nobody has heard of having a little outburst during a TV show on the other side of the world.**

**On the face of it, then, all is well and we have nothing at all to worry about.**

**Either that, or the political spin doctors are doing a wonderful job distracting us from the glaring fact that our masters in Westminster haven't got a f**king clue and have no idea which direction to lead our nation in.**

## 38-stone tobacco bandit escapes jail term

WEIGHTY MATTERS: Barclay was fined for having illegal cigs

By NEIL GOODWIN
neil@sundaysport.co.uk

**A JUDGE was asked not to jail an illegal tobacco dealer – because he's a titanic LARDBUCKET.**

Sean Barclay, 43, who weighs in at a morbidly obese 38 stone, was due to appear before a court charged with possession of hookey cigarettes.

However, he wasn't able to turn up before the judge as officials were unable to find a wheelchair big enough for him in time for his court appearance, according to his solicitor.

Revenue officers raided the Barclay's home on March 6, 2013 and found two boxes of cigarettes and tobacco with no tax stamp on them.

Barclay, of Letterkenny, Co Donegal, admitted he had bought the smokes from a friend in Derry and knew they were illegal.

At the town's District Court his solicitor said Barclay accepted what he was doing was wrong but that it was merely a means of making some cash, and pleaded against a jail sentence.

He said: "His health is dire and I am asking the court not to impose a custodial sentence as it will have a devastating effect on him and his health.

The judge imposed a mandatory fine of £1,800 as it was Barclay's second offence.

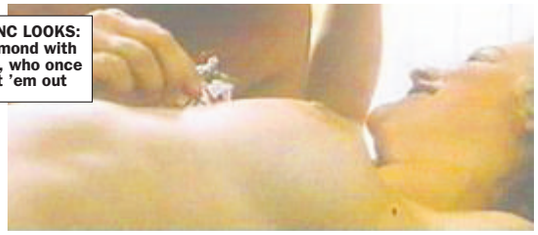
## Garden show Kate bares her buds

BLANC LOOKS: Raymond with Kate, who once got 'em out



FANS of gardening will have been bitterly disappointed last Sunday by the horticulture-meets-cookery shambles that was *Kew on a Plate*.

Set in London's impressive Kew Gardens, it is presented by French chef Raymond Blanc and gorgeous *Springwatch* presenter Kate Humble. The show owes more to *Blue Peter* than any serious attempt at explain the sacred link between horticulture and our food, partly due to the BBC's relentless dumbing-down.

But those tuning in would be interested to know that Miss Humble, 46, is more than capable of cultivating growth in male trousers thanks to her appearance in the 1990 TV movie *Spymaker*, about the life of James Bond creator Ian Fleming.

One gardener said: "I was looking forward to this show but it was a bit shit. Still, Kate Humble's worth getting your dibber out for."

# DRUG RAIDERS BATTERED VICTIM WITH PENIS PUMP

COCKY CROOKS: Violent pair battered their victim with penis enlarger like this

**Amy Green**
Age 26, 32D-24-34, from Sheffield

**TWO hooligans broke into a man's home looking for drugs – but ended up battering their victim with a sex toy.**

Steven Graham and Ryan Gandy pushed their way into William Hughes' home and beat him over the head with a penis enlarger.

The raiders also slashed his face with a kitchen knife before attacking him with the plastic object.

Mr Hughes was "pinned to his settee" by the thugs as they scoured the flat looking for quantities of heroin and cash.

But when he told them he had no drugs the pair turned on him, with violent Gandy, 25, threatening to poke out his victim's eye with the large knife.

By BARNEY SAMUELS
news@sundaysport.co.uk

Mr Hughes suffered cuts to his face and legs and bruising to his head during the attack at his home in Leith.

Graham, 24, and Gandy, both described as prisoners at Saughton jail in Edinburgh, were jailed for 27 months each for the horrific attack at the city's Sheriff Court.

### Heroin

Fiscal Depute Ann McNeill told the court the pair arrived at Mr Hughes home at around 5.30pm on November 26 last year.

Ms McNeill said: "The accused asked if Mr Hughes had heroin and he said he had none. They pinned him on the settee and punched him in the face several times.

"Mr Gandy brought the knife across Mr Hughes' face but as the knife was blunt only a scratching resulted.

"During the search of the flat they came across a number of sex toys, one of which was used to strike Mr Hughes across the head."

The court was then informed the sex toy used as a weapons was a penis enlarger belonging to Mr Hughes.

After the robbers had left the flat Mr Hughes, who was left covered in blood, managed to alert a neighbour.

Graham and Gandy appeared from custody and pleaded guilty to assaulting Mr Hughes and robbing him of a quantity of cash, a wallet and a mobile phone.

# Wife scalds hubby's two veg with hot porridge!

A WIFE scalded her husband's bollocks with PORRIDGE after he pissed into a pot of vegetables.

Linda Chavhunduka, 38, attacked hubby Everisto Seka with the boiling hot oatmeal as part of an ongoing feud between the estranged couple.

Greengrocer Seka, who was seeking a restraining order against his wife, claimed that she bribed policemen to confiscate his stock.

He also told Harare Civil Court, Zimbabwe, that Chavhunduka was selling their matrimonial property and spending the money on herself.

In response, Chavhunduka accused Seka of physically and verbally abusing her in the presence of their children.

She admitted scalding Seka with porridge after he piddled in a pot of vegetables.

Magistrate Trevor Nyatsanza ordered the two to go home and sort out their disputes amicably.

# 'Skinny legs' expose tosser

**A MAN who masturbated while watching university students exercising on a sports field was caught out by his skinny legs.**

**Cops received reports of a "suspicious man" seen following young women around a large outdoor lawn area at Tulane University in New Orleans.**

**Witnesses described a man wearing a grey hoodie and shorts, with "skinny legs", the report said.**

**Michael Blum (*above*), 47 – who matched the description – was nicked hile watching the girls doing their physical jerks.**

**CCTV footage was recovered showing Blum on campus with his right hand in his pants, making a motion "consistent with masturbating."**

**He's been charged with indecency.**

AQUATIC TERROR: Toothy piranhas are feared in South America

# NONCE LOWERED HEAD-FIRST INTO PIRANHA POOL

JUST DESERT: Nonce Garcia before horror

## Grisly end for sex beast

By BRAD CHADWICK in Rio de Janeiro

NASTY END: What's left of Garcia is hauled from pool

**WHEN vigilantes caught up with nonce Luis Garcia they didn't call cops or wait for the outcome of an expensive public inquiry...**

They lashed his feet together and lowered him alive – HEAD FIRST – into a murky pool filled with man-eating piranhas.

Within minutes, 54-year-old Garcia's head had been STRIPPED of skin and flesh by the needle-toothed fish.

The aquatic carnivores even munched out sex pervert Garcia's EYES in the feeding frenzy which turned the water of the pool blood red.

### Sobbing

When his body was pulled out all that remained of his head was a skull held on by a few strands of gristle.

The grisly scene was watched by a cheering crowd of around 400 near the Amazon city of Manaus, Brazil.

One spectator said: "This was the best nonce killing we have seen in Manaus in many years.

"Garcia was sobbing like a baby when they lowered him into the water, then there was a sort of glugging and then the piranhas set about him.

"It was nothing less than he deserved. The dirty bastard."

Sick Garcia had a string of convictions for vile offences ranging from indecent exposure to crimes that are too upsetting to describe in a family paper.

### FIRST-TIME SEX

**JESSE:** Mine was good.
**SU:** Really?
**JESSE:** In fact, it was *really* good. It was with my boyfriend on Valentine's Day. It was his first-time too, and everything had been planned. He bought me some sexy underwear for the occasion and we had a little bit of forplay then had sex.
**SU:** He lured you into it with the underwear?
**JESSE:** We did read the johnny instructions first because we were playing it safe. It was over pretty quickly, though.
**SU:** Mine was rubbish because of the inexperience. We were at his house and I was really nervous. The sex wasn't great but it's much better these days.

### BEST SHAG

**JESSE:** Mine was only a few weeks ago as it happens. We had been out and had a really good time. My boyfriend had bought things from Ann Summers.
**SU:** Sex toys?
**JESSE:** Yes. Vibrators. I don't know how he'd worked up the courage! We put them to good use, and using the sex toys did make the sex better. Soon he'll be asking if he's not good enough on his own!
**SU:** I was on holiday with my boyfriend. It was in the apartment and it was very romantic. I don't know what he'd been eating but it was good stuff because he lasted all night.

### FAKING IT

**JESSE:** I have faked plenty of times. Usually because the sex is crap and I just want him to get off me. One lad was a f**king cock and he just didn't do anything for me because he had a tiny penis. I did a bit of groaning to get it over with so I could go to sleep.
**SU:** I have never faked in my life.
**JESSE:** Oh my God, you lucky lady.
**SU:** It is not that, I just don't want to inflate their ego.

### WILLY SIZE

**JESSE:** Definitely girth, and length too, really.
**SU:** I don't think it's so important.
**JESSE:** Oh I do. The bigger it is, the easier it hits the right spot. And if it's bigger, you can have sex in a lot more positions. With a big willy it doesn't matter what position you have sex in because you always know it is going to hit that special place.
**SU:** As I say, I don't think it matters. What does matter is what you do with it. Saying that, I've not experienced a really tiny one. Good sex is more of a confidence thing. I am happy with anything between five and six inches.

**JESSE:** I'd prefer a bit more, quite frankly, so I'll say seven inches is best.

### SEX OUTDOORS

**JESSE:** I've done it in loads of places – in a field, in a park, in a cricket pavilion, on a beach, in a pool, on a balcony...
**SU:** OK, That's enough places!
**JESSE:** I am not a slag. It might have been with the same person and I could just be being adventurous.
**SU:** I take it you like sex outside then?
**JESSE:** Yes, you can make as much noise as you want.
**SU:** Don't you have to make less noise so that you don't get caught?
**JESSE:** That's part of the danger. I've never been caught while having sex outside. I may have been spotted but that's about it.
**SU:** I've never had sex outside. I'm not against it, it's just never happened. I never say never, though.

### SPIT OR SWALLOW

**JESSE:** I do both but swallow more than spit.
**SU:** It depends if I am drunk. If I *am* drunk it's easier to swallow.
**JESSE:** It depends if I can take any more fluid when I'm drunk, and if I am not feeling ill in the first place.
**SU:** It's not the taste I don't like, it's the texture, all sort-of creamy and manky.
**JESSE:** It is not great, is it.

### ONE-NIGHT STANDS

**JESSE:** One-night stands usually happen when I'm drunk. In fact, they have ALL been when I have been drunk. They are always fun but sometimes I feel a bit shit the next day. The worst bit is that you can't tell what the sex is going to be like. You only find out when you've done it.
**SU:** Like sex outside, I've never had a one-night stand. I've always been in a long-term relationship, but even if I was single I don't know whether I would. I'd feel a bit funny about it. Maybe I am too respectable.

### FAVE POSITION

**JESSE:** You can't beat reverse cowgirl.
**SU:** That is my favourite position, too.
**JESSE:** We were talking about favourite positions the other week. With costumes it's sometimes is even more fun.
**SU:** That's what you're getting for your birthday, some chaps.
**JESSE:** A kinky cowgirl. It's f**king ace as I'm in control and I can manipulate him. It is hits the right spot all the time.
**SU:** It's good for both of us. I also like the missionary. I know it's boring but I like the intimacy, and it's different to the reverse cowgirl because in that you're not looking at each other.

### TURN-ONS

**JESSE:** Being kissed all over, apart from my feet. I'll tell you what really turns me on is the room being completely dark and you can't see anything. Then he starts kissing you in the right places – that's amazing. All you can feel is his lips as he doesn't use his hands.
**SU:** I am a traditionalist. I like a bit of romance – a nice warm bath, candles and a massage.

### BUM FUN

**JESSE:** I'm sorry but Ithink it's f***ing disgusting. It's vile.
**SU:** You're right it *is* pretty disgusting. I can't see why it appeals to anyone.
**JESSE:** I don't like anal sex. I will try anything but not that. It is just a no-go.
**SU:** I would never even consider it. Anyway, I think lads are going off it because they are homophobic.

# Why I love showing CARLY AL

By BOB DOWNES
news@sundaysport.co.uk

**FLAME-haired babe Carly Allison was just a typical girl next door – until she made a naughty sex tape!**

Now the 21-year-old says she's DESPERATE to show more of her curves off on camera!

Curvy Carly, 21, from Plymouth, revealed: "Last year, I convinced my boyfriend to let me film us having sex. I'm a bit saucy like that!

"As soon as I knew the camera was rolling, I just felt so horny – it was probably the best sex of my life!

"I'm very proud of my body and I was surprised at just how good I looked on film.

"A few weeks later, I did some test shoots with a top glamour photographer – now I'm a proper topless model!

And 32DD Carly reckons she's feeling more confident than ever after the shoot.

She continued: "I wasn't even nervous during my first time in the studio – I really loved it.

"The first thing I said afterwards was, 'When can I do it again?'"

# VICKY: I LOVE TO BE NAKED

Vicky Lloyd
Age 21, 32C-23-32, from Hitchin

By ALICE WALKER
alice@sundaysport.co.uk

**BUSTY Vicky Lloyd has revealed that she absolutely loves getting NAKED in the great outdoors!**

The 21-year-old, from Hertfordshire, also admits that she ALWAYS sunbathes topless.

Vicky, an all-natural 32C, said: "I am a bit of an exhibitionist when I am at home.

"I always sleep naked and often I just don't bother putting any clothes on when I'm pottering about!

"When I'm on holiday, I prefer to be naked, too, because you get a much better tan on the beach, or by the pool.

"For some reason, I always seem to get lads drooling over me!"

**Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week stunning Jaymie Feather has been reading your letters. Here's her advice...**

## Dear Jaymie,

I'M a driving instructor and have been shagging quite a few of my fit female learners of late.

I usually go for the busty ones in their very late teens or early twenties – I'm 42.

The first bird I shagged was 19 with a great body.

After her second lesson she told me that she couldn't afford to pay for my time anymore, but she would shag me.

So every week I'd do her on the back seat after our lessons.

I'd park up in a country lane and she would take her pants off and I'd do her doggy-style.

Unfortunately I did too good a job on her and she passed after just nine lessons, so I never saw – or shagged – her again.

The next learner I bonked was 21, and again, she paid for her lessons in sex with me and she let me f**k her in every hole in the back of the motor.

I'm now shagging four other fit babes.

Another of my faves is a mixed race girl who is about 20.

She has a lovely smile and gorgeous pouty lips – which look great wrapped around my helmet in the car!

But the problem is that I'm not making that much money and the wife is becoming suspicious as she does the books for the business.

I really love screwing these birds, though.

Help!

*EM, Glasgow*

# My well-hung builder is great for donkey work

## Dear Jaymie,

**I'VE been pestering my workshy hubby to lay a patio for months, but he'd rather piss his time away down the boozer.**

So I had to pay a local builder to do the job instead.

For the first few days he sent round a young labourer to do the donkey work.

And he was certainly fit for the job!

He was in his early 20s – a good 15 years younger than me – and even though I think it's still cold outside, he would strip off to just his tight T-shirt and baggy pants as he worked away.

I couldn't help notice he seemed to have a massive cock, too, and on the second day when I took him a cup of tea I joked about his boss sending a well-hung donkey to do the donkey work!

He looked at me a bit puzzled and then his eyes lit up and he said: "Well, I've had no complaints so far."

I didn't want to be a slut but told him he could have a shower after he'd finished.

He knocked off an hour before my hubby got back from work and when he stripped down to his boxers, before getting in the shower, I couldn't resist.

When I heard the shower going I slipped out of my clothes and got in with him.

He must have liked what he saw because his cock sprang up and it was magnificent – a real massive dong!

I soaped it and wanked it to its full length and then took it in my mouth.

Then I stood up against the tiled wall and spread my legs.

I thought I was going to faint as he pushed his massive cock up my pussy.

When he'd got it all in I started to orgasm and he pounded me for 15 minutes. He then pulled out and spunked all over my arse.

Sadly, he was pulled off the job the next day and his boss – a boring, overweight bloke in his early 60s – finished off the rest of the work.

Now I'm thinking of having an extension done – just to have a go on that young stud again…what do you think?

*LD, Manchester*

## Jaymie says…

**SOUNDS like a good idea to me!**

## Letter of the day

## Dear Jaymie,

I RECENTLY pulled a bird in my local – she's 21, and I'm 38 and married.

We had a few drinks and then she invited me back to her place.

She wasted little time in getting my cock out and I soon had my seven-incher down her throat.

Just as I was about to blast off she told me to stick it up her arse.

Since then she's been ringing my mobile and home number and my missus is starting to suspect something's up. Help!

*DS, Bolton*

## Jaymie says…

**CHANGE your numbers!**

## Dear Jaymie,

I'VE led a very quiet life sexually since I married my husband five years ago.

But the other day my hubby booked a plumber to come round to the house and fix the toilet.

As soon as he'd finished the job, I ran my hand down his thigh to his crotch and I massaged his cock.

Then I pulled it from his jeans and sucked on it until he was hard enough to give me a good shafting.

He was really energetic and gave me a frantic ride – ramming me hard and fast from behind.

But I feel guilty about shagging this stranger, as I still love my husband.

What should I do?

*TW, Norfolk*

## Jaymie says…

**NOW you've had your pipes cleaned, ask your hubby to keep them well-lubricated.**

## Dear Jaymie,

**I'M a 23-year-old car mechanic and the other day a babe came into the garage where I work.**

**She's 22, with long, dark hair and massive tits and after a bit of flirting she gave me her number – telling me to drop her motor off at her flat later that night.**

**When I got there she was already revved up and put her hands inside my overalls.**

**I was soon rock-hard and flipped her over to slip my drive shaft up her fanny.**

**But the next day in work, my gaffer told me he'll service the next female punter. Help!**

***TF, Essex***

## Jaymie says…

**I HOPE you've got insurance!**

**WITH the proliferation of low-cost fights to the Costas and so-called "package tours" travel to the Iberian peninsula is now within any budget.**

**Of course, this means sitting in a plane for more than two hours with a bunch of screaming, tattooed morons heading for Benidorm or some other hellhole.**

**But once in Spain, the chances of getting your dick wet are vastly improved by having a smattering of the hideous series of clicks and whistles that the donkey-murdering locals call a "language".**

# MANDELA CHIEF: COCK SWAPS WILL STOP SUICIDES!

**A TRIBAL chief has hailed the world's first penis transplant as a godsend for young men mutilated during his people's traditional circumcision rite.**

Chief Ngangomohlaba Matanzima, a leader of the Thembu people , said the recent transplant by surgeons in Cape Town was a "solution" for such young men.

By BRAD CHADWICK
news@sundaysport.co.uk

## Botched

He said it was common for Thembu initiates to have their cocks lopped off after a botched op, or because of inadequate treatment of the wound.

All Thembu men undergo circumcision. The tribe's most famous member was the late Nelson Mandela.

An Eastern Cape health department spokesman said there had been more than 200 penis amputations in the province since 2006.

This has led to a large number of psychological problems because many people did not recognise the victims as "proper men".

The chief said: "Young men who lose their penis face mental problems because they experience rejection by society.

"They are ridiculed when they squat to urinate like women. Some lose hope and even commit suicide."

# LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

# I'll beat Jo Jo – then I'm ready for Manny or Floyd

**KELL BROOK will stake his claim for a superfight if he impresses in his first world title defence against Jo Jo Dan next weekend.**

The Sheffield man returns to the ring six months after being left for dead following a machete attack while on holiday in the lager louts haven of Tenerife.

Dan is the mandatory contender for Brook's IBF welterweight crown, and the Sheffield man knows he must impress in his home city on Saturday.

A stunning win could put him in pole position to challenge the winner of the massive May 2 unification fight between WBA and WBC champ Floyd Mayweather and Manny Pacquiao, the WBO title holder.

Brook said: "After May 2, there will only be two champions in the division – myself and either Manny or Floyd.

"I want to unify this division in style – I'm coming for them all.

"But I'm not looking past Jo Jo. I know he'll bring the heat so I want to get the mandatory defence done and then target those megafights that are out there in the division.

"I know he feels he's worked so hard to get into the mandatory position – just like I did – but I'll be working twice as hard to keep the belt that I earned."

## BROOK'S UP FOR BIG ONE WHEN DAN 'N DUSTED

### Horrific

Crucially, the Dan defence will be screened live in the United States on Showtime, piling more pressure on Brook, who has won all 33 of his pro fights.

But, having feared he would never box or walk again because of the impact of a 12-inch wound on his leg from the attack, he'll easily handle the expectancy.

Ironically Brook's horror injury came just a few weeks after he had shocked Shawn Porter to claim his slice of the world welterweight crown.

Promoter Eddie Hearn said: "I remember being by his bedside in September in a Spanish hospital after that horrific knife attack. It looked like his career was over.

"He has shown incredible physical and mental strength and looks better than ever in camp.

"It'll be emotional when Kell faces Dan."

Montreal-based Romanian Dan has won 34 of his 36 contests, although he hasn't beaten one boxer who would go close against Brook.

He says: "I believe in myself and I don't think he can bring anything I can't deal with on fight night.

"I saw his last fight where he won the world title and it was a great performance.

"I've waited a long time to get a world title shot so I'm determined to take advantage of the opportunity.

"My prediction for the fight is simple – Jo Jo Dan becomes the new IBF welterweight world champion."

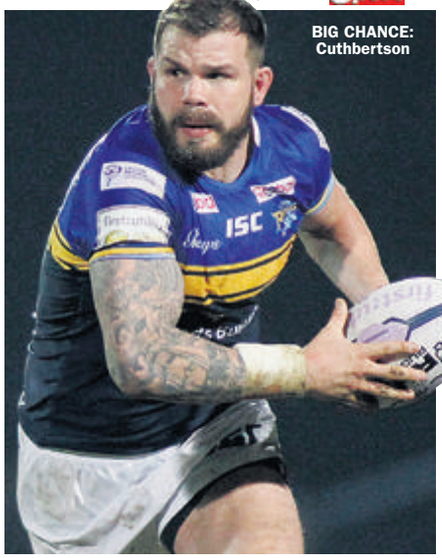
## Kev tipped for top

**EDDIE HEARN has tipped Kevin Mitchell to shock the world when he challenges WBC world lightweight champion Jorge Linares.**

**The cockney *(left)*, who has never fulfilled his true potential, challenges the tasty Venezuelan at London's O2 Arena on May 30.**

**Promoter Hearn said: "Linares is an incredible fighter, a three-weight world ruler, but Kevin has been exceptional with us and I truly believe he's going to do it."**

**On the same bill, Welsh ace Lee Selby battles IBF featherweight champion Evgeny Gradovich.**



BIG CHANCE: Cuthbertson

# PEACOCK TOUTS OZ STAR FOR ENGLAND CALL

RUGBY LEAGUE

FORMER England captain Jamie Peacock is pushing his Leeds front-row colleague Adam Cuthbertson for an England call-up.

The 30-year-old Australian prop, who produced a man-of-the-match performance in the Rhinos' 26-14 Super League win over Wigan on Friday night, has a Warrington-born father and has put his hand up to represent England.

Signed in the winter on a four-year deal from Newcastle Knights, Cuthbertson has proved to be an instant hit with Leeds – and Peacock believes he could make an impact with Steve McNamara's men in the Test series against New Zealand in the autumn.

"He's been really good for us this year," said Peacock.

"He's slotted straight into Super League. He's got a great style of football and he can play a bit."

Peacock says he would not have a problem with the Sydney-born player representing England, pointing to McNamara's selection of New Zealand-born Rangi Chase for the 2013 World Cup.

### Hurdle

And predecessor Tony Smith picked Samoa-born forward Maurie Fa'asavalu for Great Britain in 2007.

"The bigger pool you can get for England, the better," said Peacock.

"We are seeing that within all sports now with eligibility rules, so why not?

"I can't speak for other players – you would have to ask them if it puts their noses out of joint.

"But it never bothered me."

The biggest hurdle for Cuthbertson will be the plethora of world-class front-row forwards at McNamara's disposal.

James Graham, Tom and George Burgess and Chris Hill are expected to be automatic picks after playing in the 2014 Four Nations Series.

And St Helens duo Alex Walmsley and Kyle Amor are pushing themselves into the reckoning.

## A GIANT TASK FOR WEBSTER

**WAKEFIELD coach James Webster hopes his side can kickstart their Super League campaign by cutting Huddersfield down to size today.**

**The Giants have had the upper hand, doing the double over their West Yorkshire neighbours in each of the last two seasons.**

**Webster *(above)* said: "We struggle with bigger teams and they're the biggest.**

**"They're tough, they roll you down the pitch really well.**

**"They're big all over – Jermaine McGillvary on the wing, Leroy Cudjoe at centre. And Joe Wardle is a big unit.**

**"We've struggled with teams like that over the last couple of years and it was one of the reasons we went out to recruit so many middles. We're hoping to be better in that area this week."**

# DOG LEADS

BY MICK LIVESEY

# Harris to hit the Target for Hayley

THERE is another cracking meeting tonight at Sittingbourne live on BAGS/SIS featuring some top-class open-race action.

If you can't get to the Kent venue make sure you get to a bookmakers.

Hayley Keightley is flying and I can't see anything other than a double on the night for the talented trainer.

Target Harris in the sprint contest will take the world of beating from his trap-five berth. If this fella had not had his problems he probably would have gone on to have won countless titles.

## Impressive

Even with his start-stop career he is chasing win number 10 from just 22 starts.

Roxholme Kid is a talented performer but desperate for the rails, that makes his win last week all the more impressive from trap-four and tonight housed in trap-two I expect fireworks.

This lad will no doubt be heading to the Derby and he would be no forlorn hope, on his day he's got a touch of class.

**SHEFFIELD TUESDAY**

The Three Steps To Victory worth £10,000 to-the-winner starts on Tuesday.

It's a funny competition with the heats being over 480m, semi-final 500m and final 660m.

I love it though and think it's one of the most exciting competitions in the calendar.

**ANTE-POST**

The last two years Ballymac Eske and Hather George have won this race, both of whom where high profile powerful four-bend greyhounds.

Even though Roxholme Dream would be almost impossible to beat if she lined up in the final it may prove prudent to side with Viking Jack the 2014 Gold Cup winner at what should be a cracking price.

**GEORGE DOES THE BUSINESS**

In the Midweek Sport I Napped Crasher George and went with the headline 'George To Crash Into Bookies'.

He had never won in 17 starts in graded company and upped in class some may have thought I had gone mad.

He loved the galloping track and anyone who like me got 11/2 (returned 3/1) never had an anxious moment.

Don't miss this week's Midweek Sport I've got us another cracking bet!

## LIVERPOOL v MAN UNITED SUN, 1.30, SKY SPORTS 1

**LIVERPOOL can come out on top in this battle of two bald men fighting over a hairbrush at Anfield today.**

That funny whirring noise you can hear as you read this is the sound of Bob Paisley spinning in his grave as Liverpool fans get excited about finishing fourth in the Premier League.

The thought of these two giants being reduced to title also-rans is enough to make Alex Ferguson purple in the face — but it's still a big game and there are plenty of betting angles.

United fans have regained a little of the missing spring in their step thanks to a rare solid performance at Old Trafford last weekend.

The way they swept aside the might of Tottenham Hotspur has led many to think that Louis Van Gaal has come up with a winning formula.

That formula still owes a lot more to the Dog And Duck's second 11 than United principles but it's capable of getting results.

Yet that could all go out of the window at Anfield today as Liverpool will be much, much tougher to crack than the lilly livered Lillywhites were.

For a kick-off, it's Steven Gerrard's last meeting with the old enemy so, while he hasn't been a starter lately, stand by for fireworks when he makes it out on to the pitch.

The improved form of Joe Allen and Jordan Henderson means it's likely Stevie will start on the bench.

But it's also true that he made a difference when coming on against Swansea last week and that might have been enough to win him a starting berth.

If he does make the team, the 10/1 with Ladbrokes about him opening the scoring would be worth a close look.

Liverpool weren't great in south Wales on Monday night but they managed to keep yet another clean sheet and that's been the key to their climb up the table.

Daniel Sturridge has looked more than rusty since getting back into the team but he's still a threat with Raheem Sterling, Adam Lallana and Phillipe Coutinho forming a formidable attacking unit sat behind the striker.

The Scouse Reds still have problems out wide with Alberto Moreno and Lazar Markovic taking it in turns to look short of the required class.

But they have definitely sorted out the defence with Sakho, Skrtel and Can looking strong, although Can's form has dipped a little in recent weeks.

Even Simon Mignolet is back looking like a decent goalie after doing a good impression of Massimo Taibi earlier in the campaign.

He still kicks like an arthritic pensioner but he's coming off his line a bit better and has always been a high-class shot stopper.

Putting Michael Carrick back in midfield was a smart move by LVG and he definitely gives them better shape and more cover in front of a dodgy defence.

They have had to thank goalie David De Gea dozens of times this season and his form has won them as many as 10 points they shouldn't have had.

That line-up will come under some extreme pressure from a Liverpool team that is capable of beating anyone at home — just ask Manchester City who were swept aside earlier this month.

Whether Fellaini will be risked is an important question as the fiery Belgian must be a great candidate for being sent off.

Getting a key red card has hampered United on several occasions this season and their inexperienced/rank average defenders will have to keep their heads in what is sure to be a hostile atmosphere.

So to the betting. For me, this has a hard-fought home win written all over it.

### Stingy

That's been chalked up at a slightly stingy 23/20 by several layers and 11/10 by the rest.

The draw is on offer at 5/2, while United are various prices at around the 27/10 mark, making them third favourites.

It's hard not to see the visitors hitting the target once so in the correct score odds, the best price looks to be the 17/2 on offer with bet365 and BetVictor that Liverpool win 2-1.

If you think it will be that scoreline but the other way around, there is 13/1 to be snapped up with the same firms.

The goalscorer markets are interesting.

As we've said, Steven Gerrard is tempting at 10s if he starts the match.

It would also be just like Wayne Rooney to score as well. He's 7/1 with Stan James to bag the first one or 5/2 with the same company to hit the target at any point in the game.

But given how many chances Liverpool create for Daniel Sturridge, I'm having a small interest in him opening the scoring at the general 5/1.

**ADVICE: Liverpool to win 2-1 at 17/2; Daniel Sturridge to score first at 5/1.**

## PREMIER LEAGUE: CHELSEA TO TAME TIGERS

**CHELSEA have pretty much won the league already but they can take another giant step to the title by beating Hull on their own patch today.**

**The champions-elect may have crashed out of Europe but they have developed a winning formula that nobody in England can cope with at the moment.**

**Odds wise, you can't do any better than 1/2 about the Blues winning but that really does look like buying money.**

**Hull's form has improved in recent weeks but they will have no answer to Mourinho's men, especially now they've had a right kick up the backside in France.**

**Chelsea to win 2-0 is a decent value at 11/2, while you can back a 3-0 success at 9/1, with 3-1 coming in at 14s.**

# It's not all doom and gloom for fans – and FC United prove it

**DO you remember FC United of Manchester? Formed back in 2005 following fans' anger at the Glazer takeover, you'd be forgiven for thinking the novelty has worn off.**

Far from it – they are currently clear at the top of the 7th tier of football and close to promotion to the Conference North.

With a brand new stadium ready to welcome Benfica for its official opening in May and a steady fanbase, it's a well-run club that is going places.

I went along to their home game with Workington last week and it was an absolute joy, like going back in time. Eight quid to get in, a fiver for a pie and a pint – which you could stand on the terrace and enjoy whilst watching the none-too-shabby football fare to boot.

It was a decent match played in a brilliant atmosphere and there was the unshakeable feeling this was all about the fans, not the players or celebs in executive boxes.

Meanwhile, the FA's £5billion circus isn't fit to trundle to the last eight of any European competition.

That embarrassing feat hasn't been achieved since 1993 – which, by coincidence, is when the greedy bastards first injected us with their Premier League poison.

The end is nigh, folks. Get down and cheer on your local non-league team and start enjoying football again.

KANE MIGHT BE ABLE – BUT HE'S ABOUT THE ONLY PLAYER WHO IS!
IT was great that Harry Kane was deservedly called up to Roy Hodgson's latest England squad.
But take a closer look at that list of players chosen to face Lithuania and Italy next month and you'll have to agree that it's not exactly dripping with world-class talent, is it?

# FIFA still a bunch of tw*ts

THE good news about the impending demise of English football is that at least our Christmas won't be ruined by an England World Cup flop in 2022 – like so many summers have been spoiled by our useless overrated, overpaid Three Lions.

The way things are going, our league will have long since disappeared up its own arse by then, so we'll be able to sit back and enjoy the 2022 World Cup final – on December 18.

Meanwhile, FIFA has said we need their permission to send a GB football team to the Brazil 2018 Olympics.

There's a phrase that springs to mind here, and it rhymes with "clucking hunts".

## MERV'S FACT HUNT

## Ramsey calls for grit and determination to beat drop

QPR v Everton

Today, Kick-off 4pm

QPR boss Chris Ramsey is backing his team to rip up the form book and avoid relegation.

The Hoops have lost their last four Premier League games to sit in 19th spot – four points adrift of safety with nine games remaining.

QPR have not tasted victory since a 2-0 win at Sunderland on February 10 and have the worst defence in the top flight with 52 goals conceded.

"I still think we can get the points that we need," insisted Ramsey.

"If we stop believing that we can stay up now, then the whole season has been a wash.

"We must maintain the grit and determination we have shown in our past few games."

Four of Rangers' nine remaining league games are at Loftus Road, including today's clash against Everton.

QPR have picked up 19 of their 22 points at home.

"We are aware that we are running out of time and out of games," said Ramsey.

### Silly

"Apart from the Crystal Palace game last week, the performances have been good.

"We have been unlucky in certain games.

"We just have to make sure that we don't give away silly goals like we have done and that we stay together.

"We have to go out against Everton and give our best."

Everton will treat their final nine games of the season like "finals" as manager Roberto Martinez looks to swiftly put the team's Europa League exit behind them.

The Spaniard stressed the importance of a strong finish to ensure the Toffees steer clear of the relegation scrap.

"It simplifies the objective now of being fully focused on the nine games that we have," said Martinez.

"We see these nine games as nine finals. We want to get as many points as we can and we need to perform in every game."

# THE NEW SMALLING FAN CLUB

By FRANK McCAULEY

**BRYAN ROBSON has paid Chris Smalling a huge compliment by likening his recent performances to those of Paul McGrath and Gary Pallister.**

Five years after signing for Manchester United, central defender Smalling is yet to convince many Old Trafford fans he is the real deal.

The 25-year-old has even been subjected to fans' taunts, including in the Manchester derby last November when he was sent off.

But Smalling has since improved markedly and his commanding performance in last week's 3-0 win over Tottenham caught the eye of United legend Robson.

The former United captain thinks that bodes well for Sunday's massive game against Liverpool at Anfield, with the old enemies pushing hard for a top-four finish.

"Chris is a good defender," said Robson. "I have seen him improve over the last few games.

"His passing is a lot better, a lot crisper, so he has come on to a good game.

"He is in good form at the moment and that will be important at Liverpool."

## Impressed

Smalling kept 26-goal Spurs striker Harry Kane quiet last Sunday and even ventured forward confidently with the ball at his feet.

Robson was so impressed that he declared: "Paul McGrath could do that and so could Gary Pallister.

"When you keep possession at the back, sometimes it's important that your defenders break past the forwards into the midfield area.

"That means one of your midfield players should be able to get space and I thought Chris did that particularly well against Tottenham."

Liverpool boss Brendan Rodgers believes he is now stronger after surviving his side's early season woes.

The Northern Irishman admits August to December was a tough period for him, when his methods were called into question, but he is flavour of the month once again.

"I've said to coaches and players that when the criticism comes, deserved or undeserved, you won't like it but you have to accept it as it is part of the game," he said.

"As a manager you have to take the circumstance of where you are at. That won't fit with results but it is quite easy, you have to stay focused.

"You have to have an inherent belief of how you work, and when it is scrutinised and ridiculed you go back to that platform of why and how you work.

"You know you are going to get it at some stage, and in your career it is important you come out the other side.

## Rivalry

"I am early in my career as a manager, but that period benefited me.

"It is the challenge of being a manager at any level, you are scrutinised. But you have to stay calm and believe in your qualities as a coach and manager."

Rodgers added: "This is an important game. These games in particular are always great spectacles and the rivalry is historic."

# Mourinho: I'd feel happier with extra 20 points in bank

Hull v Chelsea

Today, 4pm – Live on Sky Sports 1

**JOSE MOURINHO believes Chelsea will be pushed all the way even if they complete a wire-to-wire Premier League title triumph.**

**The Blues have led from the first round of matches and can't be knocked off top spot no matter what the result at Hull today.**

**But boss Mourinho downplayed the suggestion he thrives on the pressure and insisted: "I would enjoy much more having 20 points more.**

**"We have been chased since day one, since August. The others have good teams, have ambitions. They don't let us enjoy an easy ride."**

**Mourinho is still upset about the European exit that denied Chelsea a Champions League quarter-final clash with Barcelona.**

**Had the Blues got through against Paris St-Germain, their schedule would have been challenging, with Premier League matches against Manchester United and Arsenal either side of the Champions League last eight.**

FIGHT: Michael Dawson

## Frustrating

**There is a benefit, though, as Chelsea now have a solitary focus.**

**Mourinho said: "It's the second time I don't reach a quarter-final in all my career. I would prefer to be there.**

**"I would like to be in that position. I would like to be playing Barcelona, United, Arsenal.**

**"The fact we went out gives us a frustrating situation. That we don't hide.**

**"But it gives us a situation where we can work properly, we can rest properly.**

**"And if things go in the direction I expect and the players expect, we can finish the season in a very strong way."**

**Hull defender Michael Dawson insists confidence levels have not been hit by a fortnight of frustration which has plunged them deeper into the relegation dogfight.**

**Missed opportunities against Sunderland and Leicester have left the Tigers hovering above the drop zone.**

**But Dawson said: "We have got a spirit and a fight about us and we have certainly shown that in recent weeks.**

**"It's all about fine margins, and at the end of the day we have picked up points that might be valuable at the end of the season."**

Despite all the hype on telly and in the papers, I wasn't that impressed.

It was just like sex when you're married – eagerly anticipated but always bound to end with disappointment.

This week my girlfriend described me as an eclipse.

I thought it was because I'm a rare type and everyone always wants to see me.

Turns out it's because I only last 15 seconds and I'm a bit of a let-down.

I tried following the experts' advice and using a colander to view the eclipse – but I think I strained my eyes.

I looked up but it was so cloudy and dark that I didn't see anything.

I experienced more of an eclipse when I once saw Eric Pickles doing a skydive.

However, for those in parts of the country who COULD see it, it turned out to be a blinder.

# A HOOL LOT OF JOY

## Wes whack helps Norwich

NORWICH kept up their impressive push for a top-two finish with a 3-1 win against Nottingham Forest.

Jonny Howson's strike in first-half stoppage-time gave the Canaries the lead at Carrow Road before Cameron Jerome added a second and Wes Hoolahan converted a 59th-minute penalty to make the game safe.

Chris Burke netted a 76th-minute consolation for Forest.

Watford were leap-frogged by Bournemouth at the top as they were undone by Richard Chaplow's stoppage-time winner in a 1-0 home defeat to Ipswich.

Promotion-chasing Brentford dealt Millwall's survival fight another blow by hitting back from two goals down with five minutes left at Griffin Park to draw 2-2.

Goals from Lee Gregory and Aiden O'Brien set the Lions on course for their first win in nine, but Alex Pritchard converted an 85th-minute penalty after Martyn Woolford's foul on Alan Judge and Moses Odubajo rifled home a stoppage-time leveller.

Charlton fell behind to Pavel Pogrebnyak's goal just before half-time against Reading, but Yoni Buyens' second-half double and a late Simon Church goal helped secure a 3-2 home win.

# Harry's in a hurry for promotion!

**HARRY ARTER scored his second wonder goal in five days as Bournemouth stepped up their bid for the Premier League.**

Arter's powerful 20-yard strike early in the second half was sandwiched between penalties from Yann Kermorgant and sub Brett Pitman as the Cherries leapfrogged Middlesbrough to assert their claim for automatic promotion.

Newly called up by the Republic of Ireland, Arter also showed his quality with a stunning goal in Tuesday's 1-1 draw at Cardiff.

The Cherries were on the front foot for the majority of the tussle against a team that began the day in second place.

Kermorgant could have put Eddie Howe's men in front in the second minute, but Boro goalkeeper Dimi Konstantopoulos made a good save low to his left to deny the French striker. Callum Wilson's pace created problems for the visitors' defence all afternoon and it was Bournemouth's leading scorer who won the first penalty when he was bundled over by Tomas Kalas.

CHERRY ON THE CAKE: Pitman makes it 3-0

Kermorgant stepped up and coolly drove the 12th-minute spot-kick into the right corner of the net.

The first half was played at a frenetic pace and it could have been 2-0 at the interval.

Matt Ritchie had a drilled effort blocked by the back of George Friend in the 26th minute, before Kermorgant's well-struck volley was saved by Konstantopoulos.

Ritchie forced the Boro keeper into action again in the 31st minute, but his left-footed effort was fairly easily held.

Middlesbrough were unable to truly test Artur Boruc in the first 45 minutes.

Their best chance came on the half-hour when Adam Reach flicked on Patrick Bamford's cross into the hands of the Polish keeper.

Bournemouth came out after the break with the same attacking intentions as the first, with Tommy Elphick having a close-range header saved almost immediately after the restart.

Arter doubled the Cherries' lead in the 48th minute, with his fine curling left-footed effort going in off the inside of the post.

Bamford felt he should have had a penalty in the 58th minute after being pulled in the box by Steve Cook, but referee Anthony Taylor disagreed.

Middlesbrough thought they had got a goal back in the 68th minute, but Bamford's header was ruled out as he was coming back from an offside position.

Bournemouth won their second penalty of the game in the 74th minute as the lively Arter surged forward into the Boro box before being pushed in the back by Albert Adomah.

Pitman made it 3-0 as he fired past Konstantopoulos to seal a priceless win.

Bamford had the chance to grab a consolation goal for Boro with four minutes to go, but his free-kick flew just over the bar.

# FOR CANARIES
## leapfrog beaten Watford

Williams had been sent off.

Gary Madine headed bottom club Blackpool into the lead against Leeds, but Mirco Antenucci equalised.

Rotherham suffered a dramatic 3-2 home defeat to derby rivals Sheffield Wednesday.

The Millers led after 85 minutes through Ben Pringle, but Caolan Lavery's equaliser was only the start of the story.

Jordan Bowery restored Rotherham's advantage before Atdhe Nuhiu and Kieran Lee scored in added time.

Wigan's Martyn Waghorn also fired a stoppage-time goal to cancel out Tom Walker's 70th-minute effort for Bolton and seal a 1-1 draw.

Eoin Doyle struck his first goal for Cardiff and Peter Whittingham sealed a 2-0 victory over Birmingham from the penalty spot.

Matt Kilgallon's own goal gave Brighton a 1-0 win at Blackburn and Huddersfield's Nahki Wells missed two second-half penalties against Fulham, who won 2-0 via Alex Kacaniklic and Seko Fofana.

GOALDEN BOY: Kane after netting his third

# IT'S THREE LIONS, THEN THREE GOALS FOR KANE!

Tottenham 4
Leicester 3

HARRY KANE'S dream week got even better as the Tottenham striker followed his first England call-up with a maiden Premier League hat-trick.

The eyes of the footballing world were trained on the 21-year-old at White Hart Lane in his final club match before linking up with Roy Hodgson's men.

And he couldn't be heading away in much better form, having netted his first top-flight treble to help drag out-of-sorts Spurs to a crucial victory.

Goals from Jamie Vardy, Wes Morgan and David Nugent gave Leicester hope as Mauricio Pochettino's side toiled, but Jeffrey Schlupp's late own goal proved decisive.

Nigel Pearson went for an adventurous 3-4-3 formation – and that tactic forced an early wobble which led Kyle Walker to collide with his own goalkeeper.

Hugo Lloris was left in a heap and medics raced onto the pitch to stretcher him off with a badly gashed knee.

It led to Michel Vorm replacing the Spurs captain, who was barely down the tunnel when the feeling inside White Hart Lane changed from concern to elation.

Not many defenders could produce the flick Eric Dier attempted, with the centre-back's looping ball falling for Kane to slot home from close range six minutes in.

UNLUCKY: Jeff Schlupp

### Fizzing

And before Leicester had time to reply, Kane's fizzing strike deflected off Robert Huth and wrong-footed returning Foxes keeper Kasper Schmeichel.

Spurs were pegged back before the break when Vardy stretched to impressively turn home Nugent's cross.

And five minutes after the restart it was all square when Morgan was left unmarked at a corner to power home a header. Huth headed just wide as Tottenham continued to wobble – a slide which was halted when Nugent brought down Danny Rose in the box.

It looked a soft one – but Kane didn't mind, sending Schmeichel the wrong way from the spot to bring up his first top-flight treble.

Kane scooped over as a chance for a fourth passed him by and Nacer Chadli fired an effort over at the far post.

Leicester sub Marcin Wasilewski headed over under pressure at the other end, before things were made tougher for Leicester when Schlupp directed past his own goalkeeper, the ball bouncing off him after Schmeichel had saved a Christian Eriksen effort.

Nugent's late strike led to a nervy ending, but Spurs just held out.

# GIROUD AT DOUBLE FOR WENGER'S SIXY BEASTS

OLIVIER GIROUD'S first-half double handed Arsenal a sixth successive Premier League win as they survived a spirited Newcastle fightback.

The Frenchman struck twice inside four minutes to leave Toon with a mountain to climb.

But John Carver's depleted side more than made a fist of it after the break, with Moussa Sissoko's 48th-minute goal changing the shape of the game.

Despite their best efforts to reel in Arsene Wenger's men, Newcastle were unable to find an equaliser.

Carver moved right-back Daryl Janmaat into the middle to partner his only fit senior central defender Mike Williamson and asked midfielders Ryan Taylor and Jack Colback to fill in at right and left-back.

The plan was makeshift in the extreme, and it was not long before it was cruelly exposed.

Arsenal took the lead on 24 minutes when Giroud reacted first after Danny Welbeck flicked on Santi Cazorla's free-kick.

ON TARGET: Sissoko

## Wrestling

Welbeck volleyed wide before Newcastle contributed to their own downfall in the 28th minutes.

Williamson became involved in a wrestling match with Giroud at a corner and the French striker headed past Tim Krul despite neither man leaving the ground.

Toon looked dead and buried, but the fans' half-time boos were transformed into cheers within three minutes of the restart.

Remy Cabella crossed from the right and skipper Sissoko swept the ball past the helpless David Ospina to reduce the deficit.

Ayoze Perez twice fired wide from long distance as Arsenal wobbled.

Ospina had to be at his best to beat away Williamson's header from a Taylor corner, and Janmaat blasted a long-range effort just wide seconds later.

Referee Mike Jones waved away strong appeals for an 82nd-minute penalty after Cabella went down under Laurent Koscielny's challenge.

And Ospina had to make a fine reaction save to keep out Perez's deflected 87th-minute shot with his leg as Newcastle battled all the way to the final whistle.

# Forster flattened – but Saints bounce back to go marching on

Southampton 2
Burnley 0

SOUTHAMPTON recovered from what looked a serious injury to goalkeeper Fraser Forster to keep their top-four ambitions alive.

Forster *(above)* was left flattened in the opening minutes and was replaced by the experienced Kelvin Davis, who produced a number of top saves to prevent relegation-threatened Burnley picking up a second impressive result in a week.

Clarets boss Sean Dyche saw decent chances for Sam Vokes and Danny Ings kept out by the impressive Davis.

The game was stopped when England international Forster was left in agony and stretchered off after appearing to have his ankle caught by the onrushing Vokes.

George Boyd had a strong penalty shout for Burnley turned down by referee Roger East as Jose Fonte slid in to challenge.

The deadlock was broken on 37 minutes when Shane Long was on hand to finish from five yards out, turning in Nathaniel Clyne's misplaced effort after Graziano Pelle had failed to make contact.

Pelle, without a league goal in 2015, should have doubled Saints' advantage but could only rattle the crossbar with a close-range volley.

## Inspired

Burnley broke on the counter-attack and Ings got in behind the defence, only to see his curling shot brilliantly kept out by Davis.

Davis was making a difference in the Saints goal but namesake Steven Davis came close when he saw his looping header kept out by a mixture of back-tracking Burnley keeper Tom Heaton and the crossbar.

Then Vokes' header on the stroke of half-time was turned behind by the inspired Davis.

Southampton threatened to put the game to bed when Long arrowed a shot just wide with Heaton sprawling to his right.

The second goal did come shortly after. Ryan Bertrand's near-post cross was turned into his own goal by Clarets skipper Jason Shackell, who could only steer the ball past Heaton with Pelle in close company.

# It's reffin' hell again as THIRD wrong man sees red

**REF Neil Swarbrick took the gloss off Man City's return to winning ways with another mistaken identity shocker.**

| | |
|---|---|
| Manchester City | 3 |
| West Brom | 0 |

Swarbrick wrongly sent off West Brom's Gareth McAuley for a foul by team-mate Craig Dawson on Wilfried Bony in the second minute of what became a comfortable win.

City took full advantage of the extra man, easing to victory with goals from Bony – his first for the club – Fernando and David Silva.

The result was just what under-fire manager Manuel Pellegrini needed after a harrowing week in which their title defence was ravaged by Burnley and they were dumped out of Europe by Barcelona.

But Swarbrick ensured the headlines would be all about him as he incorrectly showed McAuley red.

It was the second case of mistaken identity in the top flight in three weeks – and the third in a year – after similar incidents involving Sunderland and Arsenal. Few could deny Swarbrick would have been right to dismiss Dawson after Bony broke clear and was bundled over just outside the box.

But confusion followed as Bony attempted to play on and was knocked over again, this time by McAuley in the area.

## Fluffed

Swarbrick had already blown for a free-kick for the first offence – and not a penalty for the second – so Dawson, not McAuley, should have seen red.

City didn't dwell on the issue and instead set about making the Baggies pay.

They had the game all but wrapped up before the break.

The only surprise was that it took so long to score. That owed much to brilliant West Brom keeper Boaz Myhill who, playing in place of the injured Ben Foster, saved well from Silva, Jesus Navas and Sergio Aguero.

The opener came after 27 minutes when a Fernando shot was blocked by Jonas Olsson and spun to Bony. He hooked it down on the turn before lifting it coolly into the roof of the net.

Olsson also played an unwitting role in the second, getting in Myhill's way after James Morrison fluffed a chance to clear a corner, allowing Fernando to stab home from six yards.

The second half went much the same way as the first, with Myhill twice denying Aguero before the Argie rattled a post and Bony the crossbar.

The Baggies did manage one moment of danger when Saido Berahino headed against the bar.

But it was game over 14 minutes from time when Silva cleverly diverted home a Stevan Jovetic shot.

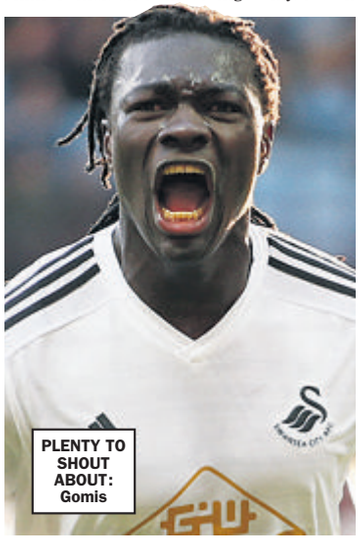
**Murray flicked on a long punt forward and Zaha raced through to slot the winner.**



PLENTY TO SHOUT ABOUT: Gomis

# GOMIS LATE SHOW DENTS VILLA BID FOR SURVIVAL

BAFETIMBI GOMIS struck his sixth goal of the season three minutes from time to clinch a deserved win for Swansea as Aston Villa failed to climb away from danger.

Gomis had been denied twice by keeper Brad Guzan and Wayne Routledge had a shot cleared off the line as the Swans made most of the running at Villa Park.

Villa struggled to create chances and remain three points clear of the Premier League bottom three.

The Swans threatened first when Gylfi Sigurdsson tricked his way into the box and found the overlapping Neil Taylor, but Gomis could not beat Guzan from the cut-back.

Gomis was Swansea's biggest threat early on and Ki slipped the striker in but Guzan was equal to his angled drive.

It took until the 32nd minute for Villa to test Lukasz Fabianski, when Fabian Delph shot straight at him following Scott Sinclair's run.

## Wrestled

But Villa survived a scare four minutes later when Guzan spilled Sigurdsson's free-kick to Routledge and his follow-up was hacked off the line by Ciaran Clark.

The trend continued in the second half, with Guzan tipping over Sigurdsson's 30-yard free-kick and Gomis nodding over at the far post.

Villa almost cashed in on those misses on 56 minutes. Christian Benteke set up Gabby Agbonlahor but the striker could not get the ball out of his feet quick enough and Taylor managed to block his shot.

Sinclair was inches away from connecting with Agbonlahor's driven cross before dragging wide with 20 minutes left.

Gomis won it in the 87th minute. Sub Jefferson Montero supplied an excellent low cross and Gomis fired in from six yards.

Sinclair volleyed an equalising chance over, before Routledge had a chance to seal Swansea's win in stoppage-time when he raced clean through but Guzan saved.

Gareth McAuley was the victim of mistaken identity as Manchester City got their title push back on track with a 3-0 win over 10-man West Brom.

The game was just two minutes old when City striker Wilfried Bony was sent sprawling by Craig Dawson, who was the last defender.

But ref Swarbrick instead flashed the red card at Baggies team-mate McAuley.

City went on to dominate the game, winning with goals from Bony, Fernando and David Silva. And afterwards, Swarbrick owned up to his howler in a statement from the official referees' organistation.

It read: "In the second minute of Manchester City v West Brom, referee Neil Swarbrick made a decision to send off Gareth McAuley for a denial of an obvious goalscoring opportunity.

"The referee has confirmed the offence was caused by a different player, which should be addressed now as a case of mistaken identity.

"He has apologised for his error."
